

JOB VACANCY

Counseling & Treatment Services

POSITION: Behavioral Health Specialist

SITE/PROGRAM: Collaboration Program with Erie County
Homeless Services

START DATE: Anticipated July 2017

SALARY: Commensurate with Experience

The Behavioral Health Specialist will work collaboratively with the Erie County Homeless Services and providers of Mental Health and Substance Abuse services, with the ultimate goal of identifying continuing behavioral health issues. The successful candidate will work to effectively provide screening, consultations, linkage, and follow-up for high-risk populations including Severely and Persistently Mentally Ill (SPMI), and Mentally Ill Chemical Abusers. We are seeking an assertive individual with experience working with clients in both the Mental Health & Chemical Dependency fields.

QUALIFICATIONS:

- LCSW or LMHC required. 5+ years senior level counseling experience also required
- Must have experience providing individual, and family counseling.
- Excellent internal and external communication skills are required.

All applicants must have the ability to work effectively with multicultural populations; families with multi-problems and needs, and collaboratively with multiple systems. Microsoft Office and Behavioral Health software experience required

For those interested and qualified please send resumes by 6/2/2017 to:
